***Houghtons Waste Paper Ltd  
Environmental Policy***

*Houghtons Waste Paper Ltd recognises that our operations can impact on the environment.  
Our Policy starts from the consideration of the company as part of the community and its  
impact locally and more widely by bringing in raw materials, energy, produce distribution and  
discharging emissions and wastes.*

*Houghtons Waste Paper Ltd therefore has the following commitments and objectives to:*

*Comply fully with the relevant legal requirements, codes of practice and regulatory  
regulations.*

*Increase recycling by finding innovative ways for HWP and other local companies to recycle  
as many products as possible and prevent waste to landfill.*

*Minimise disturbance to the local and global environment and to the quality of life of the local  
communities*

*Maintain appearances and highest environmental standards within the company Premises*

*Take positive steps to conserve scarce and non renewable resources.*

*Improve the environmental efficiency of our transport and travel.*

*Assess, in advance if possible, environmental effects of any new processes and developments.*

*Provide necessary information to enable proper use, storage and disposal of Company  
products to avoid harm to the environment.*
